About the Publishers

Welcome to Our Ever-expanding New Catalogue for 2026

From the desk of the publisher—

In our 38-year journey, Dreamland Publications, a respected children's book publisher, is on the cusp of entering its Golden age. We take immense pride in being recognised as one of the most well-loved names in the children's book industry today. Our reputation is built on delivering outstanding quality, and our collection features beautiful books suitable for readers of all ages. At Dreamland, we've made sure there's something for everyone, from newborn babies to young adults.

At Dreamland Publications, we're passionate about creating a diverse range of captivating books for young readers. Our collection includes toy-shaped books with joyful stories, board books to inspire imaginative worlds, licenced colouring and activity books featuring inclusive superheroes, and engaging storybooks with beautiful illustrations and messages of kindness. We also offer encyclopedias filled with intriguing details and subtle humour. Our goal is to provide an enriching reading experience that celebrates diversity and fosters a lifelong love for books in children of all ages.

With the advancement of technology, we maintain an unwavering commitment to enhancing the quality of our content, images, and artworks, as well as refining our printing and binding processes to produce top-notch books that meet the highest international standards while being visually appealing. This dedication has resulted in the global expansion of our publishing house, with our books being exported to over 80 countries in more than 20 foreign languages.

With the aim of nurturing lifelong readers and learners, we take great pride in announcing that 'Dreamland Publications' has surpassed the 3000-title milestone, achieving both qualitative and quantitative success. Our extensive sales of books and educational charts reflect the enduring value, sophistication, and global recognition of our offerings. The continued trust and response from our Indian and international customers have inspired us to enrich our catalogue further in 2025 by introducing over 300 captivating new titles.

We are delighted to announce that approximately 700 of our publications are now available in digital format on prominent online platforms such as the Apple iBookstore and Amazon Kindle. Additionally, we have developed dedicated applications for both iOS and Android platforms. Our digital library continues to expand steadily.

At Dreamland, we maintain a commitment to ongoing innovation, continually seeking fresh perspectives and pathways within the realm of children's literature. We explore novel technological approaches to deliver exceptional quality, aspiring to be a driving force for excellence.

To broaden Dreamland's horizons, we pledge to provide high-quality, affordable international-standard books that meet the expectations of parents and teachers. Above all, our mission is to entertain, educate, and enlighten children on their journey to success.

SCIENCE CHARTS

A Set of 50 Charts, Size 48 cm x 73 cm, Both Side Hard Lamination (Age Group 12-15)

Modern science and technology have changed our lives in many different ways. To make children as well as grown-ups aware of the importance of science in everyday life, we have tried to impart knowledge of science through a series of beautifully illustrated science charts.

1. Inventors & their Inventions-1
2. Inventors & their Inventions-2
3. Computer Technology
4. Electronics
5. Electricity
6. Cameras and Photography
7. Lenses and Mirrors
8. Light and Colour
9. Atoms and Molecules
10. Energy
11. Nuclear Energy and Radioactivity
12. Forces
13. Dynamics
14. Friction
15. Motion
16. Gravity
17. Pressure
18. Work & Simple Machines
19. Floating
